gentlemen one dollar.

MADAME OTTO GOLDSCHMIDT.—DR. C. W. Rohack, the Seer of Sweden, is in correspondence with
several of the first statemen in that country, and has he'd
the honor to receive several letters from the king himself,
who is one of the wisest and most liberal monarchs of
Europes. More than all, and prized above the nation of
royalty itself, he possesses the testimony of the Swedish
Queen of Song, the peculess Jemp Lind, to the accuracy of
his tracellar predictions. Having consulted the test are
lative to hor prospects in this country, soon after her arrival, he draw the horosnore of her destiny with her acrival, he draw the horosnore of her destiny with her acrival, he draw the horosnore of her destiny with her acrival, he draw the horosnore of her destiny with her acrival, he draw the horosnore of her destiny with her accare, and sent the result to the fair vecalist, accompanied
by certain advice founded upon his observations or particular
thus far; and by following the counsel with which it was
accompanied, her success has been triumphant. The appended extract from a letter she addressed to he. R., just
before her departure, speaks for itself:—"Sir—"My nativity
has been verified up to this time, and the course you indicated in relation to "" was wise and prodont.
I am glad I adopted it. Receive my thanks and best wishes."
Those who desire to know certainly what fate has in store
for them, how to achieve success in business, love, or any

THE DEAP SHALL HEAR, AND THE BLIND SHALL see.—Dr. Lutener, 89 Prince street, near Breadway, has discovered a never failing remedy for deafness; also, for whole world to produce as many wonderful cures as he has effected by his newly discovered treatments. All letters must contain \$1, and be pre-paid. Office hours from 9 until.

DR. COOPER, 14 DUANT STREET, MAY BE COMsuited with confidence on diseases. His success has
been such in the treatment of old chronic cases, as to astenlish some of our most eminent physicians. Dr. C. is well
known, both in and out of the pre-lession, as the mest ourcessful practitioner of diseases in New York. His great success is the result of twenty-one years, devoted exclusively
to this speciality of the profession.

DR. WARD MAKES ASTONISHING CURES—SUCH as no other doctor can do. Either a cure or grown amendment before twenty-four hours. Disease is made neer nothing by his treatment, which is scionce perfected. Remember it. The other methods of cure are dreaffulworse than the disease. Office, corner of Canal street and Broadway, up stairs; not in the medicine store.

DR WARD'S UNFORTUNATE'S FRIEND.—IF CUERO are the best evidence, then there is no medicine to be compared to this. Thousands can tell you that they never would have got well without it. Now takes by multitudes without discovery. Free from unpleasantness. Immediate death to the disease. Office, corner of Canal street and Broadway; not in the medicine store.

Decreed with unexampled celerity. Never any failures. The secret of his success is the Unfortunate's Friend, and a substance that arrests disease almost as if by miracle; the only speedy and antisfactory means of cure. Office, corner of Canni street and Broadway; not in the medicine store. DR. JOHNSON, 16 DUANE STREET, SO WELL known, for the last 22 years, as the most successful

practitioner in New York, may be consulted, as usual, he his private office on all diseases to which flesh is heir to. Those who have suffered from medical protenders, may rely on having their cases treated by a physician of experience. N. B.—See my diplome, is my office. NO PEE TILL CURED.-DR. COBBETT, IS DUAKE street, may be considentially consulted on diseases.
Twenty-one years in his speciality of the profession, analysis to the profession of the profession, analysis apply to him with the certainty of having their cases apply treated. Dr. C. is a member of the N. Y. University, N. B. Observe the name and number, as there is a local profession of the profession

No. 19 on the other side of Chatham street.

DR. RALPH, AUTHOR OF THE "PRACTICAL PRItate Treatise, &c. Office hours, 9 to 12 A. M., and
6 to 9 P. M., (Sundays excepted.) No. 63 Mouston street,
near Wooster street. From the uncommen medical advantages the author has enjoyed, among which he would instance having resided several years in Paris, for the express
purpose of studying particular diseases, followed by a long
and very extensive practice, in this speciality, he can, without henitation, grounie, even in the most severe and complicated eases, more certain, sale, and redical curva them
can be obtained from any other source in America. Those
who apply in the earlier stages of diseases, will be gratified
by the case and rapidity of the curva which is often effected
in avery few days. Separate waiting rooms are provided.
For treatment by letter, address box 869 Post Office,

MEDICAL CARD.—DR. ESMERALDO'S OFFICE IS No. 12 Ann street, near Broadway, adjoining the Museum, where he is confidentially consulted. Strangors are apprized that he has received a regular medical education, and has had 20 years experience in an office practice; and is the author of the "Traveller's Private Medical Guida," and other Medical works, for sale at his office.

MEDICAL AID.—DR. CONVERS, 13 CHAMPERS street, continues his successful treatment of all diseases. These who require special advice, and in doubt to whom to apply, are solicited to call, where they will find a qualified physician, of twenty years experience in this branch of the profession. Confidentially consulted. 13 Chambers street. Fees moderate.

NEW MEDICAL BOOKS.—A PRACTICAL WORK OF the Nature and Treatment of Diseases, by H. Bostwick, M. D., practising physician and surgeon, and locative on these complaints. Frier reduced to \$7.60—3 colored plates. Extract from the Boston Medical and Surgical Journal:—"It may be said fearlessly to be equal to Acton yor Ricord's great work on the same family of diseases, and far superior to anything of the kind before published in this country." Author of a work on Vices, and their terrible consequences. This is, without doubt, the most truthful and important book on this subject ever published. Price, S1. Author of a book on Natural Death, Diet, &c., Frmily Physician, Cause of Quackery, &c., &c. For saic at 262, and by the author, 504 Breadway.

PARIS AND LONDON TREATMENT OF LOCAL disease, in a few hours, by a vegetable application, without pain, which he combines with medicines is constitutional affections and nervous debility, as thousands cannot be cured without tit for he performs cures daily which had continued for years under all other treatment. Formula on the proof of the proof where there is so much imposition; but his diploma, editorial notices, testimonials from physicians, and hundreds of certificates, prove his treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of this speciality, who had treatment unequalled for cures of the same treatment of the property of the property of the property of the same treatment of the property of the propert

THE MARRIED WOMAN'S PRIVATE MEDICAL COM-

THE MARRIED WOMAN'S PRIVATE MEDICAL COMpanion.—By Dr. A. M. Mauriceau, Professor of Diseases
of Women.—Twentieth edition, 18 mo., pp. 250.—Price, \$1.
Years of suffering, of physical and metal anguish to many
an affectionate wife, and pseumiary difficulties to the husband, might have been spared by a timely possession of this
work. It is intended especially for the married, or those
egatemplasting marriage, as if discloses important secretawhich should be known to them particularly.

Here, also, every female—the wife—the mother—the one
either budding into womanhood, or the other in the decline
of years—in whom nature contemplates an important
change, can discover the causes, symptoms, and the most
efficient remedies, and most certain mode of cure, in overy
complaint to which has sen is subject.

(Extract of a lotter from a gentlem an in Dayton, Ohio.)

Dr. A. M. MAURICHAU!—

My Dran Sir.—My wife has been perceptibly similar for
some three years or more, in consequence of her great anquish and suffering some months before and during her confinement—every successive one more and more debilitating
and prostrating her, patting her life in imminent damper,
and which was, on the isst occasion, despaired of. I suppose
this state of things was inevitable, and resigned myself to
muct the worst. At this time (now about two months) I
heard your nook highly spoken of, as containing some maters reaching my case. On its receipt and pernaal, I consesexpress to you the rolled it afforded my distressed mind, and
the jety its pages in parted to my wife, on learning that the
great discovery of M. M. Decomeans provided a romedy. It
opened a prospect to me which I little conceived was possitier, but the provided my distressed mind, and
the levy its pages in parted to my wife, on learning that the
great discovery of M. M. Decomeans provided a romedy. It
opened a prospect to me which I little conceived was posin her grave, and my children left motherlesse.

It is, of course, impracticable to conver more fails the
ser
